SPRING 2019 STUDENT MEMBERSHIP DRIVE

Does your student section have what it takes to become the winner of the Spring 2019 Student Membership Drive? Target new members and sign them up by the March 31, 2019 deadline. The winning student section will win \$200, one complimentary dues renewal for the winning section's faculty advisor and some of our top-selling Beast of Safety T-Shirts so your top recruiters can rep around campus. Additionally, ten new student members will be chosen at random for a \$25 Restaurant.com gift card.

How does it work?

Ask new student members to use the promo code 19STUREF on their [ASSP application](#). Your student section will get one entry into a drawing for each new student member who joins using this code. The more members you recruit, the more chances your student section has to be the beast of safety.

Get recruitment ideas, resources and all the details for the membership drive at

<https://www.assp.org/students/student-membership-drive>.

Start recruiting new members today so you have a chance to become the Beast of Safety!

If you have any questions about the drive or would like to request promotional materials, contact [ASSP's Student Services team](#).

Important CIL Announcements

Audra Sargeant was presented with the Golden Gavel Award on January 8th to recognize her outstanding chapter service.

Thank you Audra for your dedication to ASSP!
