**Regular Chapter Meeting at 12:00pm Central**

All Central Illinois Chapter Members are welcome to attend the Executive Committee Meeting that will be at 11:00am, tomorrow - Friday October 25, 2024. This meeting will be immediately before our regular chapter meeting, at 12:00pm, which is outlined below.

You can access the Executive Committee Meeting with the same Teams Meeting credentials for the regular chapter meeting which is at 12:00pm.

Sitting in on the Executive Committee Meeting would be a great opportunity for chapter members to listen in on the governance and planning of chapter activities, meetings and objectives. It's a great way to learn more about the chapter and to be more involved in the success of the chapter. Remember, our chapter is self governed. We need involvement from our membership to be as successful as possible. We hope to see you join the Executive Committee meeting.

See Teams Meeting credentials below, they are the same credentials for the Executive Committee meeting at 11am and the regular chapter meeting at 12pm....
